REGISTRATION DETAILS
SUBMISSION DEADLINE AND REQUIREMENTS
SUBMISSION PROCESS

Registration Details

Location: NUS EA Foyer, Level 1

Time: 4.30pm

- Instructions:**
1. At least 1 member per team must register in person
 2. Show student ID, verify your team name and members names
 3. Event lanyard for each team member will be issued
**lanyard shall be worn at all times*
 4. Passkey and QR code will be issued
**passkey is unique to each team for access to the submission platform; take a photo of it and do not lose it*

Note: Registration closes at 8pm

Submission deadline

Deadline: 19 September, 4pm

There will be no deadline extension. You may submit early.

Modality: Minimum 1 team member must physically sign-in for submission

Instructions: Approach the submission counter at EA Atrium (outside LT7A)

Submission counter opens from 2.30pm

Submission Requirements PS 1 & 2

1. GitHub Repository

URL to Github Repository, README file

2. Link to Prototype

Hosted domain

3. Video Pitch in 2-3 Minutes

Video explaining your solution

4. Write up

You are required to produce a short write up about your solution, uniqueness of your solution and tech stack used to achieve.

5. Zip file with the results

Submission Requirements PS 3

1. GitHub Repository

URL to Github Repository, README file

2. Link to Prototype

Hosted domain

3. Video Pitch in 2-3 Minutes

Video explaining your solution

4. Prediction output

A folder of *_predictions.csv (refer to Problem_Statement_3_Specifications.md)

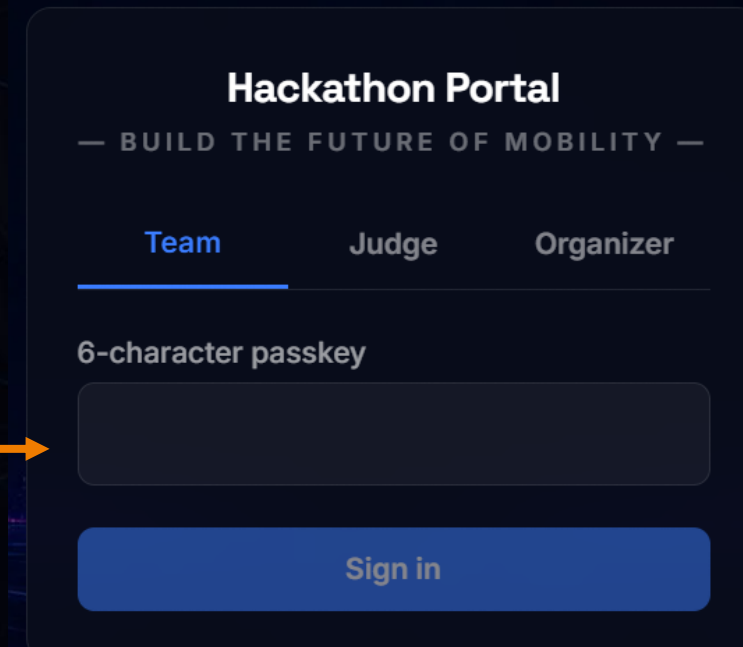

5. Write up

You are required to produce a short write up about your solution, uniqueness of your solution and tech stack used to achieve.

Submission Process

1. Participants will upload their submissions via the Hackathon Portal. The QR code / link to the portal will be released on 18 Sep 2026.
2. To login to the portal, enter the passkey which was issued during registration.

Log in using your team's passkey →

The image shows a login form for the 'Hackathon Portal'. At the top, it says 'Hackathon Portal' followed by the tagline '— BUILD THE FUTURE OF MOBILITY —'. Below this are three tabs: 'Team', 'Judge', and 'Organizer'. The 'Team' tab is selected and underlined. Under the 'Team' tab, there is a label '6-character passkey' above a text input field. Below the input field is a blue 'Sign in' button.

ACCESS GOOGLE CLOUD PLATFORM

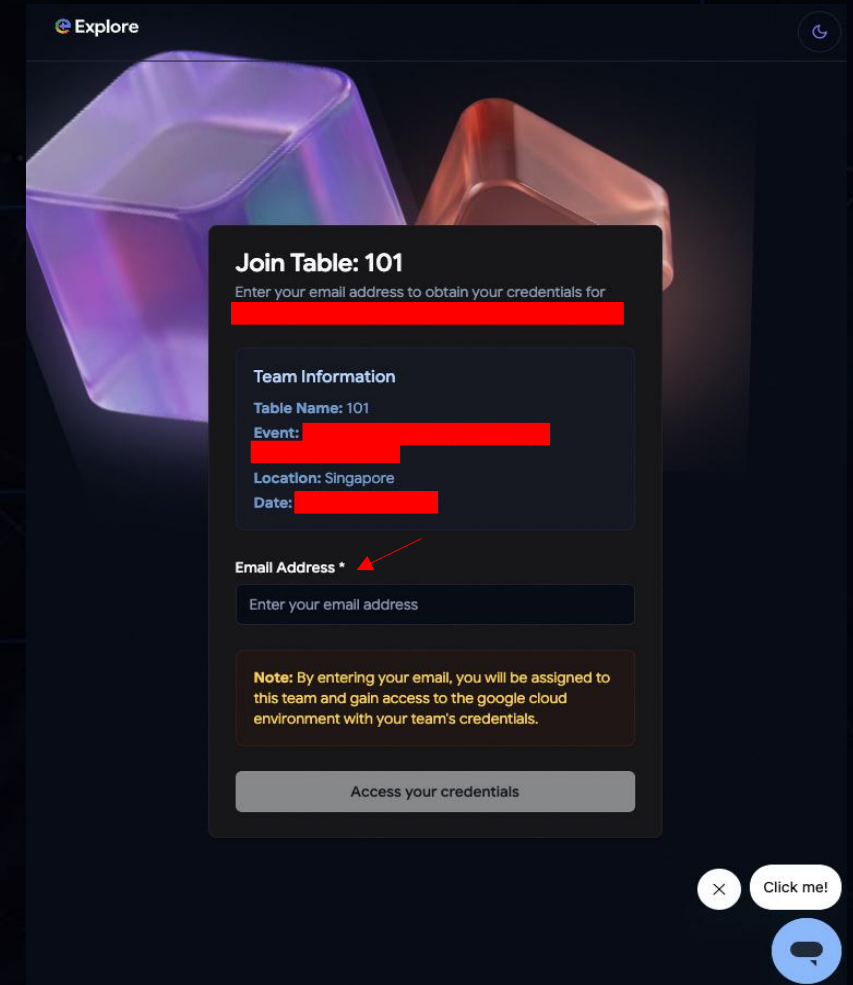

Access Google Cloud Platform (1/7)

Step 1

Login to the Hackathon portal. From the Hackathon portal, you will see your hackathon workspace URL.

The link will lead you to a page that looks like the screenshot shown. Please enter your email address* at the email address box.

**refers to the email address you indicated on Luma during registration*

The screenshot shows a web interface titled "Explore" with a dark theme. In the background, there are two translucent, glowing cubes, one purple and one orange. A modal window titled "Join Table: 101" is centered on the screen. It prompts the user to "Enter your email address to obtain your credentials for" followed by a redacted area. Below this, a "Team Information" section contains fields for "Table Name: 101", "Event:" (redacted), "Location: Singapore", and "Date:" (redacted). An "Email Address *" field is highlighted with a red arrow, with a placeholder text "Enter your email address". A "Note" box states: "By entering your email, you will be assigned to this team and gain access to the google cloud environment with your team's credentials." At the bottom of the modal is a button labeled "Access your credentials". In the bottom right corner of the interface, there are two small circular buttons: one with a close icon (X) and another labeled "Click me!".

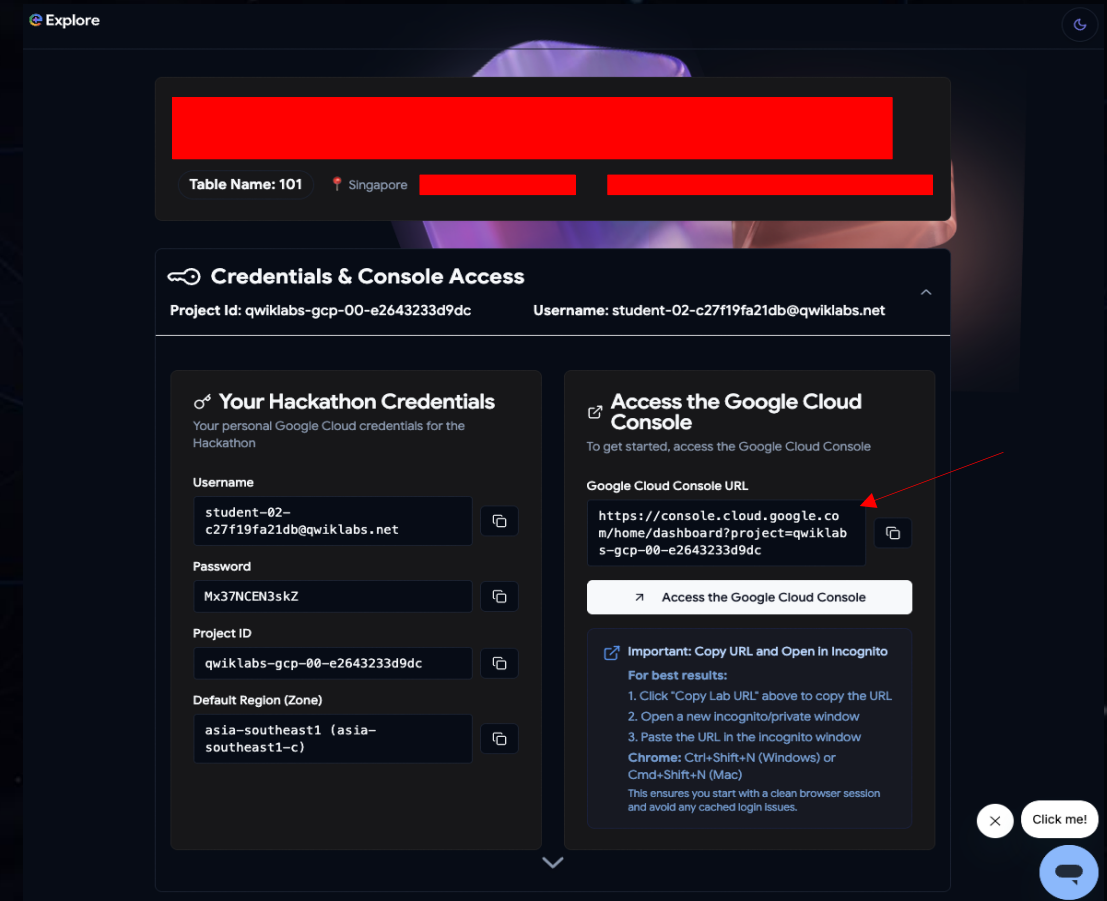

Access Google Cloud Platform (2/7)

Step 2

Once you login, you will see this page with all the details to login into the Google Cloud environment.

Click on the link to access the Google Cloud console. Keep this page handy with all the credentials you need to login.

Take note on the username and password that you will need to login to the Google Cloud console. The credentials provided here will be different for each team.

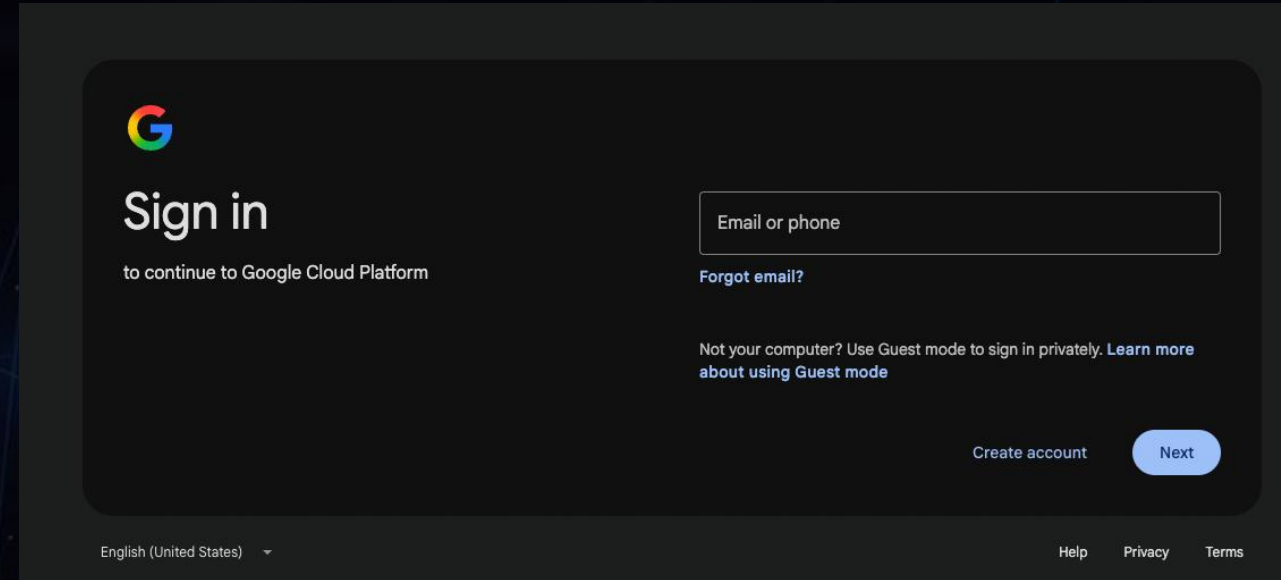

Access Google Cloud Platform (3/7)

Step 3

Go into Incognito mode and paste the link there, which will lead you to this page.

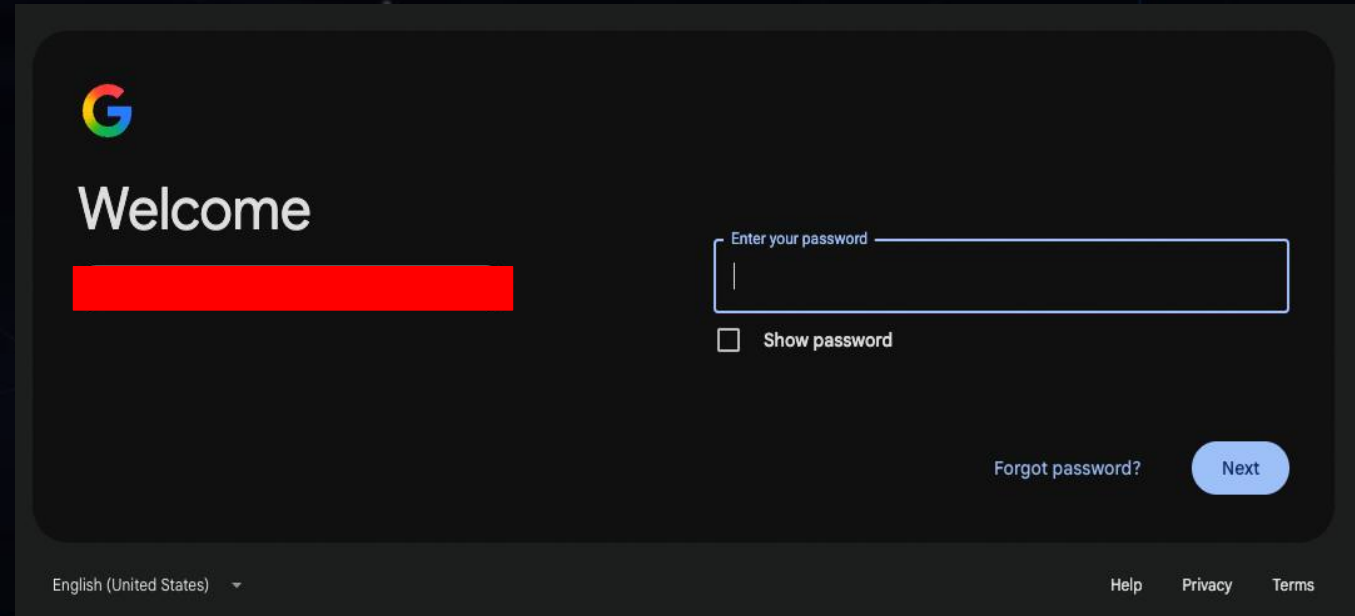

Enter your email address (the same one entered in the previous step)

A screenshot of the Google Cloud Platform sign-in page. The page has a dark background with a light gray border. At the top left is the Google logo. Below it, the text "Sign in" is displayed in a large, bold font, followed by "to continue to Google Cloud Platform" in a smaller font. On the right side, there is a text input field labeled "Email or phone". Below the input field is a link that says "Forgot email?". Further down, there is a line of text: "Not your computer? Use Guest mode to sign in privately. [Learn more about using Guest mode](#)". At the bottom right, there are two buttons: "Create account" and "Next". The "Next" button is highlighted with a blue glow. At the very bottom of the page, there is a footer with "English (United States)" on the left and "Help", "Privacy", and "Terms" on the right.

Access Google Cloud Platform (4/7)

Step 4

Key in the password you see at Step 2

The image shows the Google Cloud Platform login interface. At the top left is the Google logo. Below it, the word "Welcome" is displayed. Under "Welcome" is a red rectangular bar. To the right of the red bar is a password input field with the placeholder text "Enter your password". Below the input field is a checkbox labeled "Show password". At the bottom right of the main content area are the links "Forgot password?" and a blue "Next" button. At the bottom left of the interface is a language selector showing "English (United States)". At the bottom right are links for "Help", "Privacy", and "Terms".

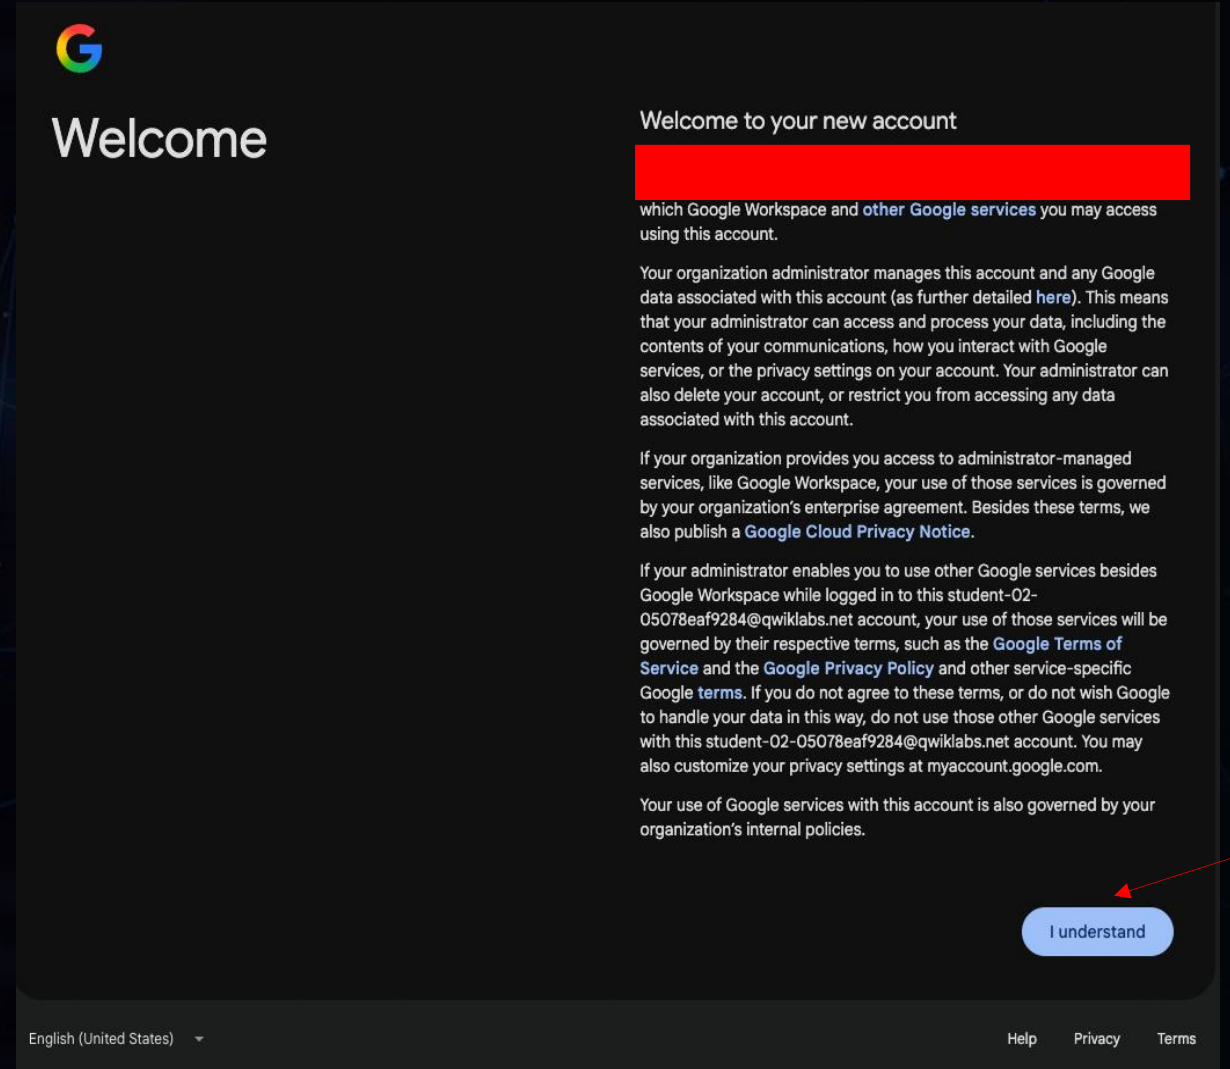

English (United States) ▼

Help Privacy Terms

Access Google Cloud Platform (5/7)

Step 5

Click on “I understand”

The screenshot shows the Google Cloud Platform 'Welcome' page. At the top left is the Google 'G' logo. Below it, the word 'Welcome' is displayed in a large, white font. To the right of 'Welcome', the text 'Welcome to your new account' is shown. Below this, there is a red rectangular box. Underneath the red box, the text reads: 'which Google Workspace and other Google services you may access using this account.' This is followed by a paragraph explaining that the organization administrator manages the account and any Google data associated with it, including communications and privacy settings. Another paragraph states that if the organization provides access to administrator-managed services like Google Workspace, their use is governed by the organization's enterprise agreement and the Google Cloud Privacy Notice. A fourth paragraph explains that if the administrator enables other Google services, their use is governed by their respective terms, such as the Google Terms of Service and the Google Privacy Policy. The final paragraph states that the use of Google services is also governed by the organization's internal policies. At the bottom right, there is a blue button with the text 'I understand'. A red arrow points to this button from the right side of the image. At the bottom left, there is a dropdown menu showing 'English (United States)'. At the bottom right, there are links for 'Help', 'Privacy', and 'Terms'.

Welcome

Welcome to your new account

which Google Workspace and other Google services you may access using this account.

Your organization administrator manages this account and any Google data associated with this account (as further detailed [here](#)). This means that your administrator can access and process your data, including the contents of your communications, how you interact with Google services, or the privacy settings on your account. Your administrator can also delete your account, or restrict you from accessing any data associated with this account.

If your organization provides you access to administrator-managed services, like Google Workspace, your use of those services is governed by your organization's enterprise agreement. Besides these terms, we also publish a [Google Cloud Privacy Notice](#).

If your administrator enables you to use other Google services besides Google Workspace while logged in to this student-02-05078eaf9284@qwiklabs.net account, your use of those services will be governed by their respective terms, such as the [Google Terms of Service](#) and the [Google Privacy Policy](#) and other service-specific Google terms. If you do not agree to these terms, or do not wish Google to handle your data in this way, do not use those other Google services with this student-02-05078eaf9284@qwiklabs.net account. You may also customize your privacy settings at [myaccount.google.com](#).

Your use of Google services with this account is also governed by your organization's internal policies.

[I understand](#)

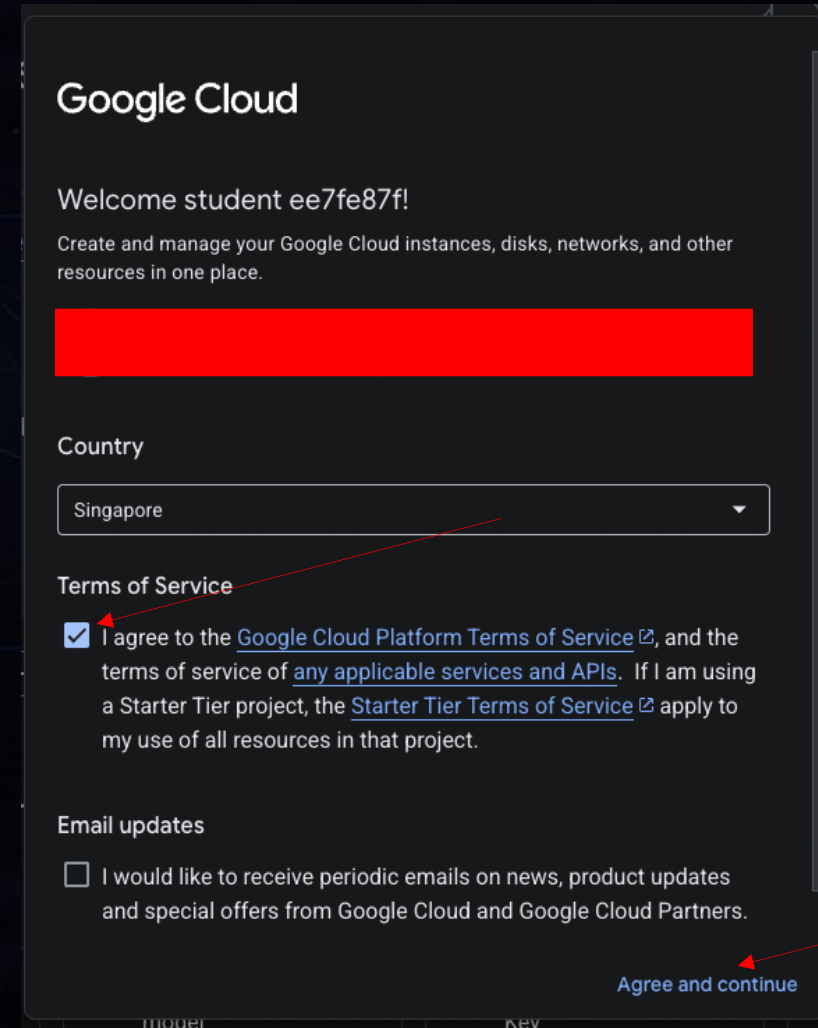

English (United States) 

[Help](#) [Privacy](#) [Terms](#)

Access Google Cloud Platform (6/7)

Step 6

Tick on the agree to the Terms of Service, then press agree and continue.

The screenshot shows the Google Cloud welcome interface. At the top, it says 'Google Cloud' and 'Welcome student ee7fe87f!'. Below this, it says 'Create and manage your Google Cloud instances, disks, networks, and other resources in one place.' There is a red rectangular box redacting the account information. Under the 'Country' section, a dropdown menu shows 'Singapore'. The 'Terms of Service' section has a checked checkbox and text stating agreement to the Google Cloud Platform Terms of Service and applicable services. The 'Email updates' section has an unchecked checkbox. At the bottom right, there is a blue link that says 'Agree and continue'. Red arrows point from the text in the previous block to the checkbox and the 'Agree and continue' link.

Google Cloud

Welcome student ee7fe87f!

Create and manage your Google Cloud instances, disks, networks, and other resources in one place.

[Redacted]

Country

Singapore

Terms of Service

☒ I agree to the [Google Cloud Platform Terms of Service](#), and the terms of service of [any applicable services and APIs](#). If I am using a Starter Tier project, the [Starter Tier Terms of Service](#) apply to my use of all resources in that project.

Email updates

☐ I would like to receive periodic emails on news, product updates and special offers from Google Cloud and Google Cloud Partners.

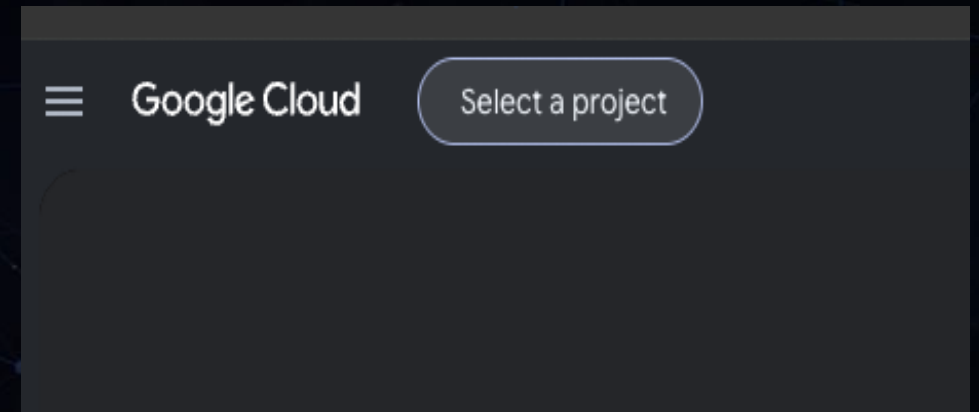

[Agree and continue](#)

Access Google Cloud Platform (7/7)

Step 7

You will now have full access to the Google Cloud console.

Do perform 1 quick check on your end, on the top left corner, if you see “Select a project”, please click on the button then select the project name as you have seen in step 2.

[For Google Workshop Participants 18 Sep, 7pm]

Download Antigravity BEFORE Workshop

Step 1

Go to <https://antigravity.google/download/>

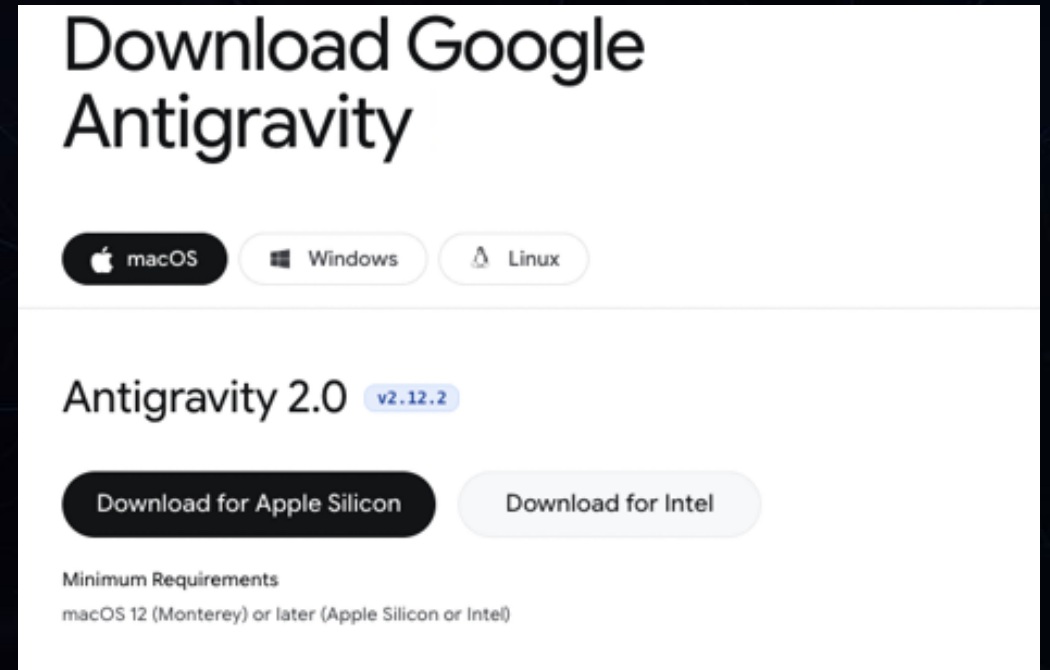

Step 2

Depending on your preference, download either the:

- (a) Antigravity 2.0 or
- (b) Install it as an extension to your Visual Studio Code (please follow the instructions on the website)

Step 3

Please pause and do not take any action. The team will guide you on how to login during the workshop

RULES

Rules

1. Each team must have at least 1 team member physically present on both 18 Sep 26 (Day 1) to qualify for registration, and 19 Sep 26 (Day 2) of the hackathon.
2. All team members of the shortlisted Top 10 teams must confirm their attendance for the finalist presentation upon receiving notification from the Organiser. In addition, all team members are required to be physically present at the venue by the stipulated time on 20 Sep 26 for the finalist presentation. Teams that fail to comply with either requirement may be disqualified.
3. Teams are not allowed to change team members throughout the duration of the hackathon.
4. The problem statement selected during team registration on Luma is final and cannot be changed.

Rules

5. All participants must be currently enrolled in an Institute of Higher Learning (IHL) at the time of registration and throughout the duration of the hackathon.
6. Participants are expected to comply with instructions and judging requirements communicated by the Organiser.
7. The Organiser reserves the right to disqualify any participant or team, revoke eligibility, or withdraw prizes and awards if the participant or team is found to have breached these Terms of Participation, provided false or misleading information, engaged in misconduct including inappropriate naming of team name, etc. or otherwise compromised the fairness or integrity of the hackathon.
8. All decisions made by the Organiser and judging panel regarding eligibility, judging, awards, disqualification, and the conduct of the hackathon shall be final.

ZERO TOLERANCE POLICY AVENUES FOR SUPPORT

Zero Tolerance Policy

**Acts of harassment
towards other participants
and staff**

**Consumption or
possession of alcohol and
tobacco**

Unruly behaviour

Any participant who is found to have participated in such behaviour will be **disqualified immediately and asked to leave the venue. The Police will be informed if necessary.**

Avenues for Support

If you witness or are a victim of such behaviour, you may approach the venue supervisor or contact any of the following personnel.

FAQ

FAQ

Registration and Participation

Q: How do I know if my team's participation is confirmed?

A: Your participation is confirmed only if you received the official email from **LTA_Nebula_X@lta.gov.sg** on 31 August 2026 with the email subject '[Nebula X Hackathon 2026] Registration Status Update' stating that your team's participation has been successfully confirmed.

Registration on Luma does not constitute confirmation of your team's participation.

Q: What if I am arriving late to the hackathon?

A: The registration cut off time is 8pm on 18 September. Approach the information counter at Block EA Level 1 if general registration has ended. Only 1 team member needs to register on the team's behalf.

Q: Do I need to be present on Day 1 and Day 2 of the hackathon?

A: At least one member of your team must be present on both days to register your team, collect your submission passkey, and verify that your submission has successfully went through.

FAQ

Registration and Participation

Q: Can I change my team name after registration?

A: Changes to team name are not allowed. However, the organising team may request a change if a team name is duplicated or deemed inappropriate. Any approved new team name will be assigned and confirmed by the organising team.

Q: Can I add, remove, or replace team members?

A: Team compositions are frozen after registration closes. Requests for exceptional changes may be reviewed on a case-by-case basis, but approval is not guaranteed. The organising team reserves the right to disqualify teams found to have changed team members during submission verification.

FAQ

Event Logistics

Q: Is this an overnight hackathon?

A: We have reserved space within the NUS EA Block for teams to work on their solution overnight, but there is no requirement for teams to work within the hackathon venue itself.

Q: Will meals be provided during the hackathon?

A: We will be providing dinner on 18 September, and lunch on 19 and 20 September. Light refreshments are available for those who are staying overnight within the hackathon venue.

Q: What do I need to bring to the hackathon?

A: Besides necessary personal belongings, you are reminded to bring your student ID, laptop and charger.

FAQ

Mentorship

Q: Will mentors be available throughout the hackathon?

A: Mentors will be available at designated mentoring sessions and venue throughout the event as shown in the hackathon schedule. Participants may approach the relevant mentors during mentoring sessions for advice and feedback.

General

Q: How do I claim my cash prizes?

A: Winners will be notified on the steps to claim their prizes after the event has concluded.

Q: How do I keep up to date on the latest information about the hackathon?

A: You are strongly encouraged to join the hackathon telegram channel <http://t.me/NebulaXHackathon> and check your email inbox for the latest event updates.
